

# Elevator Answering Service & Dispatch Call Center

## *Rapid Dispatch Specialists*

*Answering Service and Call Center for  
Emergency Calls Related to the  
Vertical Transportation Industry*

**Live Operator Service** ► Elevators must operate around the clock, and emergencies can happen at any time. Our **Elevator Answering Service and Dispatch Call Center** will be there to take your call when it counts the most.

**In the Event of an Emergency** ► Such as an elevator stopping between floors, the occupants pick up the emergency telephone which routes directly to our call center, where our operators are experts at calming distressed occupants and rapidly dispatching the call. All of your emergency on-call information and other relevant account information appear on our operator's terminal, assuring that the emergency situation will be handled flawlessly.

- We specialize in entrapment calls
- Live operators answer and manage all calls
- Our operators understand the meaning of **"Immediate Dispatch"**
- All pricing packages are inclusive—There are never any added charges for emergencies

**For More Information** ► Call today or visit our website!
