Dear Paul,

I would like to express my appreciation for the professionalism and courtesy of your employees that installed our Security/Fire Protection System at Our Lady of the Miraculous Medal Church and CCD Building. These men worked around our operations of the church and cleaned up after themselves each day, I would like for you to please thank Wayne Wels, Donnie Fischer, Jim White, Josh Tysz, and Brandon Roksandich for their outstanding work and dedication in getting the job done. These men are truly "Ambassadors" for Luttamus Communications & Security.

With every best wish,

Rev. Carmen A. D'Amico
